

1st February 2018

Dear Parents,

Sale of Sales

This year was the first time that the Friends had organised the annual Sale of Sales. An amazing team of parents ensured that the event was a great success raising an astonishing £1654.92. Whilst raising money for our school, the event was also to support Salisbury Hospice and we are delighted to be able to donate £500 towards this very important charity. I would like to thank everyone who helped to ensure the event was such a success – an amazing first year!

Life Education Mobile Classroom visit – NEXT TUESDAY, 6th February

As part of our PSHE curriculum we invite the Life Education Mobile Classroom to deliver sessions to each of our classes. The specially equipped mobile classroom provides an unforgettable experience for the children, which assists our school in our health education work. The focussed, interactive, programmes are designed and varied to match each age group and ability and are presented by a specialist Educator. There is also an excellent opportunity for parents to find out more about their children's learning with a parent session just before pick up (3.15 – 3.30) in the mobile classroom which will be parked in the Village Hall car park. Attached to this newsletter you will find further information about this learning opportunity for all members of our school.

Flu Vaccination – for children in Year R, 1, 2, 3 & 4

We have received the following message from the NHS Immunisation team;

"In view of the increased cases of Flu this year, NHS England have taken the decision to extend the vaccination programme and make more vaccine available. Therefore there will be unexpected extended opportunities for your child to be vaccinated in community clinics; this is for those who have not already been vaccinated and are in the eligible cohort Year R, 1, 2, 3 or 4. This is regardless of whether you filled in a negative consent form in the first instance. If you would like to take up this opportunity please contact the immunisation team on: 0333 234 1125 to book into a community clinic. Please note that this will be offered in first come/first serve basis until vaccine has run out, therefore early contact is advised."
