

'Within a caring Christian community we enable every child to flourish and inspire a love of learning in all members of our community'

Ash Class Terms 3 & 4 2019

English

Viking myths and legends and writing our own quest stories; building tension and using our settings in 'fear' stories.

Information texts about how and why the Vikings travelled, how they fought and how their rule ended; recounts and blogging about class events. Key vocabulary: cohesion, ellipsis, hyphen, colon, semi-colon, dash, bullet points.

Science

Forces (linked with gymnastics): investigating objects falling to Earth because of the force of gravity; identifying the effects of air resistance, water resistance and friction that act between moving surfaces; recognise that some mechanisms, including levers, pulleys and gears, allow a smaller force to have a greater effect.

Light (linked with DT): recognise that light travels in straight lines; explain that we see things because light travels from light sources to our eyes or to objects then our eyes; explain the shapes that shadows form.

Art, DT & Music

Art & DT: making pop up Viking maps (linked with Computing and Geography); retelling Viking myths and legends with shadow puppets (linked with English and Science).

Music: developing our performing skills through Primary Live project and our composition skills; taking musical melodies 'on a journey'.

PSHE

Going for goals: looking at rights and responsibilities for ourselves and the wider community; how to be independent; good management of money.

Good to be me: celebrating our achievements; celebrating our differences and differences throughout the world; discussing diversity and acceptance of different cultures.

Journeys

PE

Tag rugby: accuracy, confidence and control; attack and defence; teamwork

Gymnastics (linked with Science): balance; weight distribution; control of movement

French

Notre Monde: building phrases and sentences about travel & geography

Scène de Plage: writing instructions

Maths

Fractions, decimals and percentages: simplifying fractions; comparing and ordering fractions; adding and subtracting fractions with different denominators; multiplying; dividing by whole numbers (year 6 only); fractions, decimal and percentage equivalents.

Ratio and Proportion: percentage of a number; scale factor; problem solving with unequal sharing; problem solving with missing values; problem solving with unequal sharing and grouping.

Algebra: simple formulae; linear number sequences; finding unknowns.

Data: reading and interpreting timetables.

Humanities

History: invaders from the sea!

The Anglo Saxons and Vikings; raids and invasions; settlements and kingdoms; Alfred the Great and Athelstan.

Geography: Europe – its countries and cities; key environmental, physical and human characteristics. Maps - using compass points, four and six-figure grid

R.E

Symbols and religious expression

How do art, architecture, poetry express religious beliefs and ideas? *Christianity, Hinduism & Sikhism*

Salvation

What did Jesus do to save human beings? *Christianity*

Computing

Research and image manipulation: linked to DT Viking maps.

Presenting Data: linked to Maths revision.
