

# Coombe Bissett Primary

## Newsletter 35 (12/6/20)

### VALUE FOR LIFE

This week our focus has been on HOPE relating to our core value of BRAVERY. Next week we will be focusing on JOY relating to our core value of BRILLIANCE. The collective worship from Rev Jenny will be issued Monday. The resources are attached to the email. The 'diary of reflection' was issued in your packs collected at the start of Term 6 – this can be used for the Tuesday to Thursday collective worship tasks of diary of reflection, wondering questions (which Rev Jenny will use for her collective worship in the last weeks) and artwork ideas on the theme.

### NEXT WEEK'S TOPIC AND PICTURE NEWS

Attached to this email is next week's Topic – Science from Mr Wyatt. Also attached is the weekly current affairs activities form Picture News.

### ATTENDANCE

From 15<sup>th</sup> June all YR, Y1, Y6, vulnerable/keyworker children will be required to inform us of their daily attendance or absence. Please email [office@coombebissett.wilts.sch.uk](mailto:office@coombebissett.wilts.sch.uk) informing us of attendance or absence and the reason for absence. Some of the keyworkers have already done so using the form issued this week. Some of you replied before the 1<sup>st</sup> June, we are assuming that stands unless you have already emailed us otherwise.

### FULL PLANNING DOCUMENTS

See attached the RETURN PLAN and the ESSENTIAL BUILDING DEVELOPMENT PLAN which gives full details of our provision and procedure. You have previously been issued an overview of our provision (repeated again below for your convenience) which gives enough information so you don't need to read the plans – they are rather long!

### Y2 TO Y5 POTENTIAL RETURN

As you know, we would love to have Y2 to Y5 return but we are unable to provide classrooms and staffing when following govt guidelines and thus currently **we will not be opening for Y2 to Y5 until September at the earliest**. If guidelines change allowing our more children to return, in our school context, we will inform parents, giving parents enough time to plan ahead and enough time for the staff to organise classrooms and resources.

### BUBBLES

So as to protect children's wellbeing, so that they can be with their peers, we are aiming for the children to be in the bubble of their year group. Those keyworkers/vulnerable who are not in YR, Y1, Y6 will be in their own bubble.

### ART TOPIC WEEK (WEEK4) - 'FLAGS' AND REFLECTION GARDEN 'SEASONS' ART

As you know, in the week 4 art topic week we will be focusing on designing the logos for House teams and core values. Once the winning designs have been chosen we want to turn them into flags. If any parents are super at sewing and would be interested in making these flags please can they email the school on [office@coombebissett.wilts.sch.uk](mailto:office@coombebissett.wilts.sch.uk) Also as part of this week children will be given another opportunity to design art for the seasons. Please send this artwork into school via post or email to the school on the same address as above.

### SINGING TOPIC WEEK (WEEK 6)

As you know, in the week 6 singing topic week we would love to organise some form of recording of a whole school song...a bit like the style you have probably seen from pop-stars recently (live lounge allstars 'times like these'). However, we simply do not have anyone on our staff team with that technical knowledge. If any parents do

The latest school newsletter can always be found on our website using the following link

Email the school at [admin@coombebissett.wilts.sch.uk](mailto:admin@coombebissett.wilts.sch.uk)

Call the school on 01722 718380

have this knowledge and are able to help, or know of someone, please contact the school via [office@coombebissett.wilts.sch.uk](mailto:office@coombebissett.wilts.sch.uk)

**HOMELEARNING – Y2 TO Y5 AND THOSE NOT RETURNING FROM OTHER YEAR GROUPS**

As you know, unlike other schools, we will be continuing to provide homelearning for ALL pupils following our connectedness curriculum. As some pupils will be experiencing face to face learning with a teacher or LSA, our teachers will be holding a telephone call once a week with all homelearners in their class so as to keep connected, answer questions, encourage and motivate. Teachers will be doing this on either a Tues or a Thurs, or in YR on any evening (once everyone has left school for Mrs Bowers and Mrs Macauley to maintain their shielding). Please ensure that you put the phone on ‘speakerphone’ so that you can hear the conversation. Teachers will be making a written record of each conversation and there will be another adult in the room when the call is made so as to ensure teachers are protected. This is in line with good practice in safeguarding. Instructional powerpoints may be sent out along with links to instructional videos, as they currently are. Reading spine recordings will continue as will the Tapestry videos for YR.

**EXAMPLES OF HOMELEARNING**

See examples of Pentecost and Geography homelearning below from those who have sent in to the office email.

The Welfare household – some fabulous Geography topic learning

Terrific Pentecost artwork from the Davies household

Terrific Pentecost artwork from Rose

Terrific Pentecost artwork from Teddy. Each lego character face has been specifically chosen to represent the different emotions experienced by the Disciples.

**THE INFORMATION BELOW IS COPIED FROM TUESDAY 9<sup>TH</sup> SEPCIAL EDITION**

**The only change is in the staffing of YR bubble as below:**

- **In the morning it will be staffed by Mrs Forster, in the afternoon it will be staffed by Mrs Shearn. YR are not returning in the afternoon at present, except for the keyworker/vulnerable YR pupils.**

**JUNE 15<sup>TH</sup> RETURN TO SCHOOLING FOR YR/Y1/Y6**

On Monday 8<sup>th</sup> the Governing Body held another exceptional circumstances meeting to review the opening of the school on 15<sup>th</sup> June. Myself and the staff are overjoyed that the Governing Body decided to open for YR/Y1/Y6 from 15<sup>th</sup> June within the provision outlined below. We have missed the children so much and cannot wait to see them again. So, from 15<sup>th</sup> June until the end of term, assuming there are no further Govt announcements or no local flair-ups and there are no cases in school / no staff absences to limit our provision, the provision will be as follows:

- **Each group will be called a ‘bubble’ (e.g. YR bubble, Y1 bubble, Y6 bubble, Vulnerable/Keyworker bubble) – staff and pupils assigned to a bubble will not cross bubbles unless in exceptional circumstances – e.g. first aid, behaviour, safety**
- **Previously issued protocols will be followed with the exceptions of classes/staggered times below**
- **Vulnerable/Keyworker children will be schooled all week – as has always been the offer since lockdown for every weekday except bank holidays**
- **Y1 and Y6 will return to their ‘bubble’ full time except for Tuesday and Thursday afternoons when the school is closed to all children except Vulnerable/Keyworkers.** This is so that teachers can have their legal provision of dedicated planning time and time to communicate with Y2 to Y5, for whom they are still providing homeschooling
- **YR will return for mornings only from 15<sup>th</sup> June.** This will be on a fortnightly evolving timeframe, but will be reviewed weekly so as to give a week’s notice to parents – meaning that as of 29<sup>th</sup> June YR could, potentially, return full time **except for Tuesday and Thursday afternoons as with Y1 & Y6.** This is to protect their wellbeing as their style of learning most especially will be most distant from the schooling they will receive during this period
- **Parents can choose to keep their children off school from YR/Y1/Y6 and Vulnerable/Keyworkers and no action will be taken by the government.** Indeed as a caring school we fully support parents being able to ‘dip-in and dip-out’ of schooling during this period
- As we are legally required to keep registers from re-opening **we do require any parent of YR/Y1/Y6 and Vulnerable/Keyworker to inform us each day of their child’s attendance or absence** (giving reason if absent) – this is just as normal
- **Homeschooling will continue to be provided for ALL children** regardless of what year group they are in (unlike some schools who will not provide homeschooling for YR/Y1/Y6 from this point)

**Please remember – as stated previously - that whilst the school has made every reasonable change to make things as safe as they can be the school cannot guarantee that children / staff / parents will not contract Covid-19. The school, staff, leadership and governors cannot and will not be held legally or emotionally accountable for anyone contracting Covid-19. Parents will make their own decision on whether or not to send their child to school.**

**STAGGERED STARTS AND ENDS OF THE DAY – FOR SOCIAL DISTANCING**

Following Govt Guidelines we will be staggering drop-off and pick-up times as follows:

Group	Drop-off	Collection Monday, Wednesday, Friday	Collection Tuesday and Thursday
YR	Village hall carpark YR outdoor learning area - following arrowed route (in along the walk bridge, out through the outdoor play space)	<b>FROM 29<sup>TH</sup> JUNE ONWARDS</b> Village hall carpark YR exit – social distance on the playground	Village hall carpark YR exit – social distance on the playground 12noon

Late pick-up	(between 3.15 and 3.45pm) Village hall carpark	Exit through their door – parents picking up at that door but maintaining social distancing 3.45pm	Exit through their door – parents picking up at that door but maintaining social distancing 3.45pm

#### STAFFING & CLASSROOMS OF BUBBLES

Staffing of bubbles is confirmed as follows. This is the school at full staffing capacity. A staff absence will result in the closure of a bubble during that period of absence.

Year group	School Classroom	Village hall Classroom	Adults in school	Homelearning provided by
R	Oak	Right side / patio / part of hall	Mrs Forster <b>MORNINGS</b> & Mrs Shearn <b>AFTERNOONS</b>	Mrs Macaulay (shielding) & Mrs Bowers (shielding)
1	Elm	Hommington room and back room	Mrs Crossland & Mrs Parkinson.	Mrs Crossland
2	n/a	n/a	n/a	Mrs Crossland
3	n/a	n/a	n/a	Mr Wyatt

The latest school newsletter can always be found on our website using the following link

<http://www.coombebissett.wilts.sch.uk/>

Email the school at [admin@coombebissett.wilts.sch.uk](mailto:admin@coombebissett.wilts.sch.uk)

Call the school on 01722 718380

4	n/a	n/a	n/a	Mr Wyatt
5	n/a	n/a	n/a	Mrs Gillett & Mrs Pascoe
6	Ash	Hall or Marquee	Mrs Gillett & Mrs Pascoe (job share) & Mrs Williams.	Mrs Gillett & Mrs Pascoe job share
Vulnerable / keyworker from Y2 to Y5	Hall	Hall	Mr Wyatt & Mr Basinger-Adams	Y2 – Mrs Crossland Y3 & Y4 – Mr Wyatt Y5 – Mrs Gillett & Mrs Pascoe
1:1	Elm and Library	Hommington Room	Mrs Parkinson – breaks from Mrs Crossland (so that Mrs Parkinson can have breaks with Mrs Crossland covering...on these instances...Mon = Mrs Massie will cover Elm, Wed & Fri = Supply will cover Elm)	Mrs Macaulay & Mrs Bowers LA external advisors Mrs Masie (SENCO)
Jobs lists	n/a	n/a	Mrs Shearn (until her return) Mrs Mould (shielding)	Mrs Macaulay & Mrs Bowers to do additional jobs list tasks
Symptomatic pupils	Ebble	Tent on field	Staff from that bubble	Those pupils displaying symptoms will be isolated in the Ebble room until they can be collected
Store Room	Fir	Fir and Ash	n/a	Fir class will be used as a store room for all the furniture removed from other spaces to make social distancing feasible
PPA & additional release to allow planning / feedback for homelearners	Staff room and/or Cedar room	Cedar room, Kitchen space in Village Hall	Mr Wyatt will have PPA on Tuesday and Thursday afternoons from Mr Basinger-Adams who will cover the Vulnerable/Keyworker bubble at that time Mrs Crossland will have PPA on Tuesday and Thursday afternoons Mrs Gillett will have PPA on Tuesday afternoon Mrs Pascoe will have PPA on Thursday afternoon	

#### FREQUENTLY ASKED QUESTIONS

**Have all risk assessments and provision been updated for the return?** *Yes, the full Return plan details these.*

**Have all risk assessments and provision been updated for schooling in the Village Hall?** *Yes, the full Essential Buildings Works Plan details these. Indeed, additional measures will be installed such as increased height gates.*

**Is there enough space at the village hall for the bubbles?** *Yes, there is more than enough space for bubbles, but to make it more comfy we are considering hiring a professional events Marquee to go on the field for increased accommodation.*

**Will there be enough toilets in the Village Hall?** *Yes. We may also be hiring some porta-loos for staff and Y6.*

**Will my child be 2m socially distanced from others?** *No, this is simply not possible when following the Govt guidelines of 15 in a bubble. But the Govt say the children (not staff) are at a very low risk. All children will, however, be kept apart – at their own workstations and at play as has been previously detailed in newsletters. This*

The latest school newsletter can always be found on our website using the following link

<http://www.coombebissett.wilts.sch.uk/>

Email the school at [admin@coombebissett.wilts.sch.uk](mailto:admin@coombebissett.wilts.sch.uk)

Call the school on 01722 718380

*will be very odd for the children as they will not be able to sit together, learn next to each other, share equipment, play together.*

**Can my child in YR/Y1/Y6/ Vulnerable&Keyworker come to school some days and not others?** *Yes. We fully support parental decisions – but we do require parents to let us know about attendance / absence (and reasons for absence because we have to keep registers as a legal requirement*

**Can my child have a school packed lunch?** *Yes, see limitations issued in previous newsletters.*

**When will Y2, Y3, Y4, Y5 be able to return?** *The Govt have announced that schools will not be expected to return all children as it will not be feasible – giving schools the flexibility to decide. We do not have the physical space or the staffing available to return all children whilst maintaining guidelines of bubbles and so children in Y2, Y3, Y4, Y5 will NOT be returning until September, at the earliest.*

**Will staff do all they can to make it fun at the Village hall?** *Yes, there will be no difference from the normal school building. There will be lots of outdoor learning, lots of creativity and the connectedness curriculum.*

**Will my child be able to learn effectively?** *Yes, they will have the same resources they will have in the school building under these guidelines – except keyworker/vulnerable children will not have access to a digital device. Staff will not have the internet and a smartboard. We will go ‘old-school’ and have fun teaching Maths and English using an ‘old’ whiteboard – just as we still use today in fact. This will be very good for the wellbeing of those children who, during homelearning, have had increased learning in front of a digital device. This would have been our plan anyway regardless of being in the school building or not, following our SWAN approach. The ‘connectedness curriculum’ will also be taught during this period, which does not require ‘technology’.*

**How will I contact the school when they are based at the Village Hall?** *Email as normal, telephone as normal – phone lines are being diverted. Please remember that the office will only be staffed from Wednesday to Friday – so if urgent please keep trying, if not please email. It is unlikely the school will respond to your emails during the day.*

## **OVERVIEW FOR PRENTS OF SCHOOLING PROVISION FOR KEYWORKER/VULNERABLE AND FOR YR/Y1/Y6 UPON THEIR RETURN FORM JUNE 15TH**

**Schools, school staff including leadership, and governors cannot be held accountable (legally or emotionally) for any individual (staff, parents, pupils, visitors) contracting COVID-19 – anyone coming onto the school premises does so at their own risk.**

- The science tells us young children are less at risk
- Whilst PPE is not ‘needed’, our staff may personally choose to wear it to protect themselves and their families. Full PPE will be worn when dealing with 1st aid or intimate care, or a ‘symptomatic’ child
- If parents want their child to wear PPE we fully support this. However, the Govt and the LA strongly advise against it because: this can be problematic for younger children with their breathing, it can be a choking hazard, and it may lead to risk as they keep touching their face when adjusting the mask. The school will not provide PPE for pupils – this is a parental responsibility. The staff will NOT help children with their PPE as this places staff at undue risk. Children should only wear it at school if they can self-manage.
- Following shielding guidance – we have 3 members of staff who will not be released from this guidance until July (and even then that may be extended)

The latest school newsletter can always be found on our website using the following link

<http://www.coombebissett.wilts.sch.uk/>

Email the school at [admin@coombebissett.wilts.sch.uk](mailto:admin@coombebissett.wilts.sch.uk)

Call the school on 01722 718380

- Parents will not be penalised for non-attendance. Parents make the decision as to if / when their child returns, and the school will support. Individual staff and the school will not give advice (other than to SEN children with specific needs)
- Homelearning will be provided for ALL children, in any year group, for those not attending school
- Attendance does not have to be full time. Attendance may change due to parental choice based on parent work, child happiness, sickness ./ symptoms, parent decision, etc. No 'place' will be lost as we can open for ALL YR, Y1, Y6 and keyworker/vulnerable.
  - I have already informed you that there will be no-school uniform to ease the pressure on parents – but please make sure they can easily move around in the clothing (in case of PE), that it is not their best clothing (we will be doing messy art and outdoor learning) and footwear is sensible in case of evacuation and PE
- Y6 Transition to Y7 is in the hands of the Secondary Schools – we are liaising with them to provide extended transition times but as yet there is no further information available to Primary Schools. **Sadly, it does now appear that inductions will be in September rather than, as we hoped, an extended period in Term 6.**
- Keyworker /Vulnerable continue to be schooled
- Classes to be taught in groups of 15 – you may have heard this is called a 'bubble'. We will have a separate YR bubble, Y1 bubble, Y6 bubble, and Keyworker/Vulnerable bubble
- YR will be in Oak, Y1 in Elm, Y6 in Ash, Keyworker/Vulnerable in the hall
- Fir will be the store room for all furniture removed from other rooms to make this 'bubble' system and social distancing viable
- Ebble room (headteacher office) will be emptied and will be the room to look after anyone who displays symptoms until they can be collected
- The Library will be emptied and used for 1:1 needs
- These 'bubbles' will not inter-act / mix with other groups - they will stay in their 'bubble' at every part of the day - lessons / play / lunch / PE / worship
- Social distancing to be followed as far as possible - this means children will be given a 'station' in their class (a desk and chair) at which they will have all the items they need for the day (these will be their items and will not be shared with others), and this will mean there will be separate playtimes where they will also be socially distancing
- Hygiene will be explicitly taught. Children will wash their hands very frequently throughout the day and will be shown how to 'catch-it, bin-it, kill-it' - further equipment will be installed in each classroom space
- Parents can provide a small jar of hand cream for their child for their child's personal use. It must have the child's name on it. The school will not provide this. Children must be able to apply this correctly themselves as staff will NOT help. The school is not responsible for this item
- The cleaning of the school will be rigorous each day
- To facilitate cleaning of key parts of the school, and to enable social distancing, all non-essential furniture will be removed from classrooms and the hall
- Equipment will be personal only - no sharing. This includes playtime

The latest school newsletter can always be found on our website using the following link

<http://www.coombebissett.wilts.sch.uk/>

Email the school at [admin@coombebissett.wilts.sch.uk](mailto:admin@coombebissett.wilts.sch.uk)

Call the school on 01722 718380

- Classrooms will therefore include only desks and tables - pupils coats and bags, lunch and drink must be at their 'station'
- Toilets will be strategically assigned so as to reduce cross contamination across 'bubbles'. YR in Oak, Y1 in girls, keyworker/vulnerable in boys, Y6 in disabled, 1 staff toilet for staff, 1 staff toilet for 1:1. Access to toilets will be one at a time, and the next user will not be allowed to go until the previous user has returned. Many schools have unisex toilets now-a-days, and in Oak / Disabled toilet they already are. This does not break any international rulings nor does it negatively impact on individual children's wellbeing or dignity – there are cubicles in both the boys and girls toilets. Toilets are not required to be cleaned after each user. But touchplates (handles, taps, buttons) will be cleaned twice a day by the staff in those 'bubbles'
- Walkway markings will be on floors and posters will be up to guide children to social distancing at all times, and parents to social distance at drop-off / collection
- Timetables will be changed to accommodate social distancing (see RETURN PLAN for details)
- Drop-off and collection times will change to allow social distancing for children and parents (see the section in the newsletter and the RETURN PLAN)
- Children will have different entrance doors. YR down the usual outside corridor. Y1 through Elm door to the playground, keyworker/vulnerable through the hall door, Y6 through the entrance in the staff carpark (Y6 parents will be able to 'drop-n-go' in the staff carpark)
- Packed lunches will be available for KS1, FSM and any KS2 parent who wish to purchase. Hot meals are simply not possible on our site with social distancing and timetable changes. See the section on packed lunches
- Parents will have to adhere to social distancing at drop-off / pick-up – those that cannot will be deemed to be endangering others and will be banned from the school site – having to drop-off / collect at the top field gate
- Communication between parents and teacher at drop-off / collection time will be very difficult, will need to follow social distancing rules, and will not be able to be confidential. Confidential communication is best via email / telephone (telephone can be booked by appointment via email or calling the school office). The school suggests communication is better managed via email / telephone
- The curriculum will be adapted to make the workload manageable for teachers teaching all their hours and then having to deliver homelearning / feedback to homelearners. See 'connectedness curriculum' in previous newsletters
- We will allow parents to provide a small item of play equipment for their child each day from their own stock at home (e.g. toy cars, a small ball, toy figures, a skipping rope, etc). The school will not be responsible for these items. The item must be able to fit in the child's bag
- There will be no afterschool clubs, no class trips, no residential, no Friday collective worships, no KS2 performance at the end of the year
- We will be considering how we can manage a Y6 leavers 'celebration' following social distancing guidelines – we will inform you at a later date

The latest school newsletter can always be found on our website using the following link

<http://www.coombebissett.wilts.sch.uk/>

Email the school at [admin@coombebissett.wilts.sch.uk](mailto:admin@coombebissett.wilts.sch.uk)

Call the school on 01722 718380

- End of year reports will be sent out at the end of the year – the format may change from previous years. These reports will be based on assessments / interactions from before lockdown began but may also reference how well your child has engaged in learning since then
- Hydration – please ensure you provide your child with their own labelled and individual drinks bottle – regardless of FSM. We do not want to manage cups for children – of course if we have to we will ensure it is for the individual child only and will be washed at the end of the day. But this puts an increased pressure and risk on the school staff which we would like to avoid
- Free fruit scheme for KS1 will not be provided. Please can parents provide a healthy snack for their child each day from this list (cheese, yoghurt, fruit, veg)
- The milk scheme is continuing
- To protect the health and wellbeing of pupils and staff the behaviour policy during this COVID-19 period has been adapted. This is fully in line with the guidance from the Govt and LA (see the section in the newsletter and the RETURN PLAN)

### **Specific advice regarding displaying symptoms / confirmed cases and self-isolation**

- The child or staff member will be quarantined from others until they can be collected – the Ebble room is our quarantine space
- The quarantine space / their group room / their toilets will be Red Provision cleaned (see RETURN PLAN)
- If toilets need to be quarantined and alternative ones arranged, they will be re-assigned
- Parents and staff will be informed
- The individual with symptoms needs to self-isolate for 7 days, their family should self-isolate for 14 days
- The rest of the bubble / group do not need to self-isolate – only if there is a confirmed positive case
- If a sibling in another group bubble has symptoms, then the sibling in a different bubble must self-isolate for 14 days, but the rest of the children in that other bubble do not need to self-isolate
- The individual with symptoms will be encouraged to be tested – schools are being prioritised so testing is available for staff, pupils over 5, parents – the Govt websites can be used for applying for these tests
- If there is a positive case after testing then all those who have been in that group / bubble will be advised to undergo a test
- If there is a confirmed positive case within the household (child, sibling, parent, household member) then that child and that household will need to self-isolate for 14 days - and the family will be required to inform the school so that the school can inform parents and the self-isolation protocols for the bubble of that child can then be followed
