

Friday 21<sup>st</sup> April 2023

Dear Parents/Carers,

As you will know we have had a busy start to the new term this week. On Tuesday, we were notified about our Ofsted inspection. This took place on Wednesday and Thursday. The Lead HMI Inspector was joined by another inspector and an observing inspector on day one. On day two the Lead Inspector was accompanied by the observing inspector. The whole process was thorough and our children 'shone brightly' as always, over the two days. The inspectorate team expressed their thanks to the staff team for being so accommodating and I would also like to add my thanks to our wonderful staff too.

As you may know, at this stage we are unable to share any information about the inspection findings and outcome. After an Ofsted inspection, Ofsted have processes to moderate judgements about a school and so any findings are not yet confirmed.

The final school report will be with us in 30 working days and published 3 days after that.

We will be able to share the final report with you just before publication.

This week I have kept the newsletter brief. I hope you understand. Next week's newsletter will provide some details of our next Parents' Forum meeting date and some additional information for this term. I wish you a wonderful, restful weekend.

Yours sincerely,

Miss Sandra Miller
