

21<sup>st</sup> September 2020

Dear Parents,

**Coombe Bissett Nature Reserve: 2020/2021**

We would like to make the most of having such a fantastic resource nearby for opportunities to enrich our connectedness curriculum throughout the coming academic year. We are presently working very closely with the Wiltshire Wildlife Trust who are supporting our school projects outside. They have already offered us the opportunity to help with seed collections at the Reserve, with a view to planting the seeds back in school on the banks outside Oak and Elm classes. We therefore ask you to sign the form below to allow us to take the children to visit the site throughout the year.

If time and weather permit, we plan to visit on more than one occasion. We shall ensure we maintain all COVID-19 protocols including maintaining safe distances from any other visitors. We hold a school risk assessment for the Nature Reserve and once into the Reserve we are covered by their risk assessment.

We are always looking for parents to help us on these occasions and would be grateful if you could let us know if you are able to help, sometimes with short notice.

Yours faithfully,

Mrs A Macaulay and Mrs N Bowers  
Oak Class teachers
